

BLOOD STORY

The Gang has organized a hold- up to the armored car bringing the wages of an industry. Unfortunately it does not give the hoped outcome and the gang comes put in escape. They are forced to hiding in an abandoned village where it is also hiding the gang of Louis. The two gangs are fought but at the end they catch up an agreement. After some days it arrives a Priest with his Wife: Father Marcel and Dorothy. The father is the brother of a bandit: the young Teddy. He is willing to bring him back at home. All Bandits are interested about Dorothy.
