

DIVA FUTURA

The film gets used in the writing of the "Diva Futura" where it is in existence a campaign in favour of a young scientist who has uncovered an anti-AIDS vaccine. The thing does not appeal to a boss local that does not wish that the vaccine comes put in commerce. Infact if this happened the factories of contra conceptive of property of the boss would end for, to fail. Against the Future Diva more biechoes till the seizure of Eva come used means, one of the beautiful girls of the group. All the writing comes down in field against the boss and not only succeeds to send to mount its plans, but also to free Eva, with the general satisfaction of those who they have participated to the action.
