

TRE SPADE DI ZORRO (LE)

In 1830, the year of Mexico's independence, a group of tyrannical governors decide to impose their despotic rule over the population of recently freed citizens. Many men of honor will rise up to fight these imposter's, but one man will stand out among them, the man called Zorro. When Zorro's own wife and child become targets in this struggle, the full vengeance of Zorro will be unveiled.
